

Love INC of the Yampa Valley

Love INC

Love INC mobilizes area churches to meet hundreds of needs. Through the Love INC ministry...

- ◆ Churches are mobilized
 - ◆ People are helped
 - ◆ Relationships are formed
- ◆ Individuals and families come to see the love of Jesus Christ in action

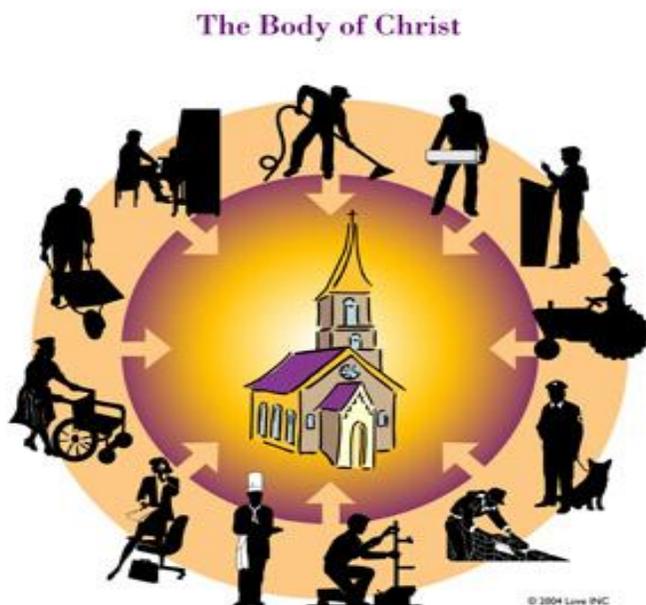

Love INC's Conception

Love INC was founded in 1977 as a way to encourage churches to become more engaged with the poor and to inspire a greater number of Christians to put their faith in action. Love INC's founder, Dr. Virgil Gulker, was a social worker and outreach director in Holland, Michigan, in the late 1970s. Deeply committed to helping people trapped in poverty, he was certain God had called others to the same mission. As he talked to church members and pastors, Dr. Gulker came to understand that Christians did indeed want to help the needy, but they had few ideas about how to do so. Many times people did not even recognize that they were gifted in ways that could have a positive impact on someone else's life.

It was clear to Dr. Gulker that if churches were to better serve their communities, they needed leadership, organization, training, encouragement, and prayer. He developed the Love INC model to fill these critical roles. Love INC taught churches to assess their capabilities, and it unified local congregations so that, working together, they could more effectively help their neighbors. One man's idea for an integrated church ministry in Holland, Michigan, began to inspire Christians in many different regions. Others duplicated the Love INC model--with its successes--as they sought to meet the needs of hurting individuals and families in their own communities. By the late 1980s, there were 50 Love INC affiliates operating in 14 states.

As the Love INC ministry grew, so did the need for national leadership and support. In 1988, Love INC became an operating department of World Vision U.S., an international Christian relief and development organization, where it remained for the next 15 years. Under World Vision, Love INC continued to grow throughout the 1990s, and in 2001 Robert Odom was appointed president of Love INC. In 2003, Love INC separated from World Vision and again became its own national nonprofit organization, headquartered in Minneapolis. Today Love INC has over 148 affiliates in 30 states, representing a network of more than 9,000 churches, 7,000 community agencies, and nearly 300,000 volunteers meeting more than 1 million needs each year. Our affiliate is one of two located in Colorado (the other affiliate is located in Littleton). Our steering committee began in 2000 and formed our 501(c)3 corporation in 2001. In January 2003, in our snug little office located at St. Michael's Catholic Church, we began taking phone requests for help. In July of 2006, we moved to our present location at 656 School St. Requests for help are taken over the phone five days per week (Mondays-Wednesdays-Fridays: 9am-12noon and 2-5pm; Tuesdays and Thursdays: 2-5pm). This report will give you an idea of the amazing work God is doing in the Yampa Valley through the Body of Christ-the Church.

On the national level we have seen amazing changes. In 2011, Robert Odom stepped down from his role as president and most of the paid staff went on to other duties. Love INC National began operating under a new structure. Under this new structure, Love INC National operates a very small, economical office while conducting most of its business via internet and phone. This new structure has saved the Movement hundreds of thousands of dollars and mobilizes church volunteers in the same manner as any local affiliate.

"Do everything in love."

1 Corinthians 16:14

"And if you spend yourselves in behalf of the hungry and satisfy the needs of the oppressed, then your light will rise in the darkness, and your night will become like the noonday."

Isaiah 58:10

"Defend the cause of the weak and fatherless; maintain the rights of the poor and oppressed."

Psalms 82:3

Love INC Core Values

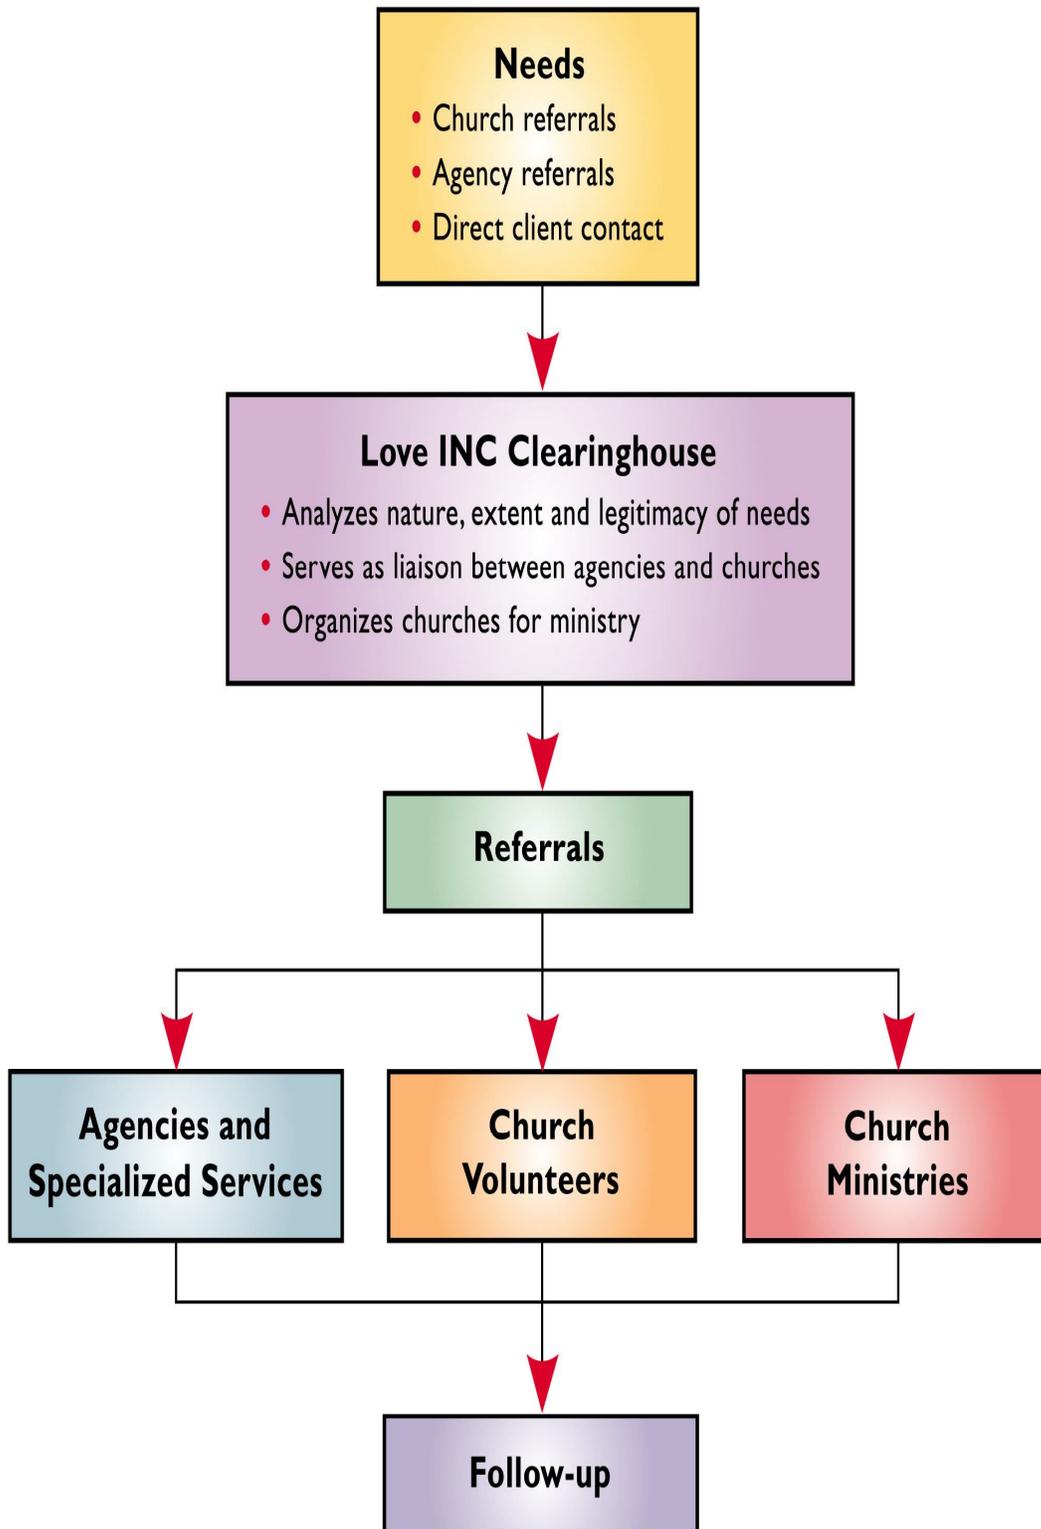

1. We are *Christian*. Everything we think, say, and do is in the name of Christ.
2. *Prayer* is an integral part of who we are.
3. We follow Christ's example of valuing the *poor and needy*.
4. We value *unity* of the Body of Christ.
5. We value the *transformation* in the lives of people and communities.
6. We value *churches* living out the two great commandments to love God and love their neighbors.
7. We value building Christ-like *relationships*.
8. We value the *connectedness* of the Love INC movement.
9. We model *excellence*.
10. We value continually *maturing* in our capacity to meet people's needs.

Core values. Many organizations have them. You can see them posted on office walls or in brochures of businesses. Core values can be simply defined as an organization's sense of character and integrity. They are the principles that guide the plans and actions of that organization. They give a way to explain who the organization is and what they stand for. No matter what growth or change an organization may go through, their basic identity and set of internal beliefs will stay constant.

Love INC has adopted the above set of ten basic core values that are derived from Jesus Christ's life. Each core value has a solid, Biblical foundation that when put into practice can be life transforming. When each of us purposefully meditate on and learn to practice these core values daily in our work and in our private lives, we can begin a spiritual journey to transform our own lives as we honor God so intentionally.

The Love INC core values are a set of guiding values that can keep us true to our purpose and remind us *why* we want to act the way we want to act. They can help us stay true to our calling, guide our relationships, and direct our decision making processes every day. When we act in His name as "Christians" we are claiming that our actions are subject to His purpose, authority and identity and are a continuation of the words and works of His ministry. If everything we as Christians think, say, and do is to be in the name of Christ, we need to be sure what we are doing is worthy of Him.

Partner Churches maintain our Love INC by furnishing financial support (either directly or with fundraising within their congregation), they agree with the Apostle's Creed, and they supply volunteers. Volunteers can work at the Love INC Resource Center (in the Clearinghouse Program), be active as Love INC board members, or serve as our church ministry contact to their congregation. Partner churches also refer requests for help to the Love INC Resource Center and try to supply the volunteers that meet physical needs that Love INC has referred to their churches. Many partner churches have developed Gap Ministries to address specifically identified gaps in community services. Love INC of the Yampa Valley is governed by the partner churches who recommend (and often supply) the board members who make our policies and guidelines. Representatives from our partner churches meet annually in March to vote on each year's newly nominated board members.

Network Churches are involved in the Love INC ministry in many of the same ways that are partner churches are. Most Network Churches meet some, but not all of the criteria for partnership. Network churches provide vital services to Love INC and Love INC clients.

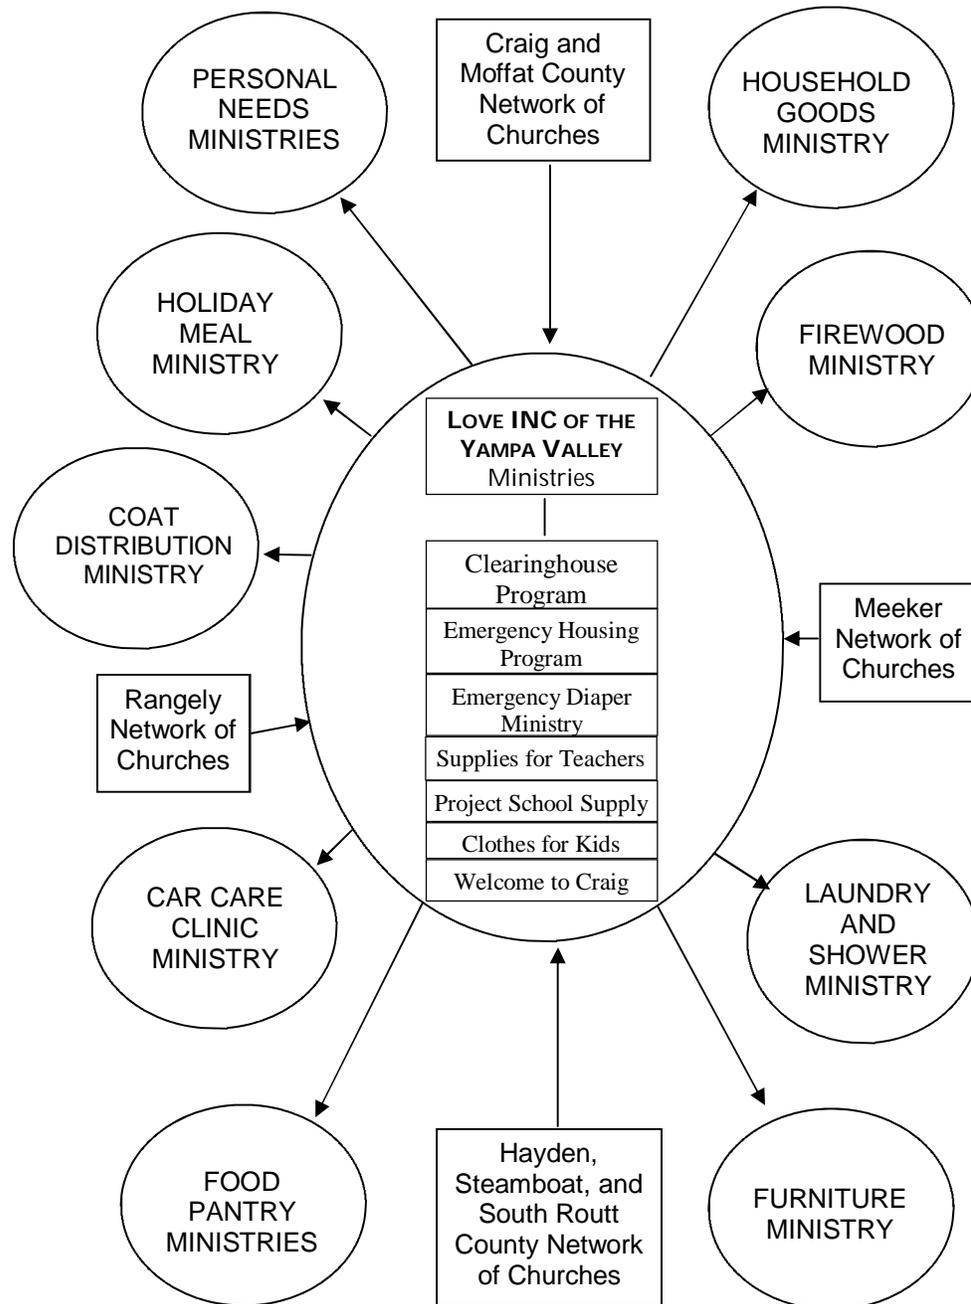

Love Note #1:

In 2011 area churches provided over \$20,000.00 to needy people in our community. Our Emergency Housing Program, which can provide needed shelter to individuals and families from 1 night up to 90 nights, may be a direct factor in this amount dropping for the second year in a row!

Love Note #2:

In 2011 approximately 330 coats were distributed in several locations. This is much less than in past years due to bad weather and scheduling factors that interfered with our ability to reach the needy with the coats, hats, and gloves they needed. We plan to work harder in 2012 to prevent anyone from being in need of a coat because we couldn't reach them!

Love INC Network of Services...

LOVE NOTE #3: In 2011 Love INC provided assistance with emergency/transitional housing to 30 men, women, and children using our Emergency Housing Program. Of those that were in the program, 85% were successful and found affordable housing for themselves when exiting the program.

LOVE NOTE #4: In 2011 we received 1,650 requests for help through the Clearinghouse Program. Through other channels, over 350-400 other requests were served. Of these 2,000+ requests only 22 had to be denied. Sadly, 66 never called back to get the help they requested.

LOVE STORY:

A man called because he needed some help with rent. He was experiencing some temporary problems and just needed a little help over this rough patch. Love INC was able to connect his need to two of our caring churches, Friendship United Methodist and St. Michael's Catholic Church, and they were able to help with \$100. A few months later, he came in and visited us at the Love INC Resource Center. He donated \$100.00 to Love INC. He said he wanted this money to go to help another person. He became financially stable and last year was volunteering at St. Michael's Catholic Church.

*Volunteers from The Journey at First Baptist Church made plumbing repairs and winterized windows and installed a handrail for us.

*Volunteers from St. Michael's Catholic Church and other friends in the community helped us keep our sidewalks clear of snow in the winter.

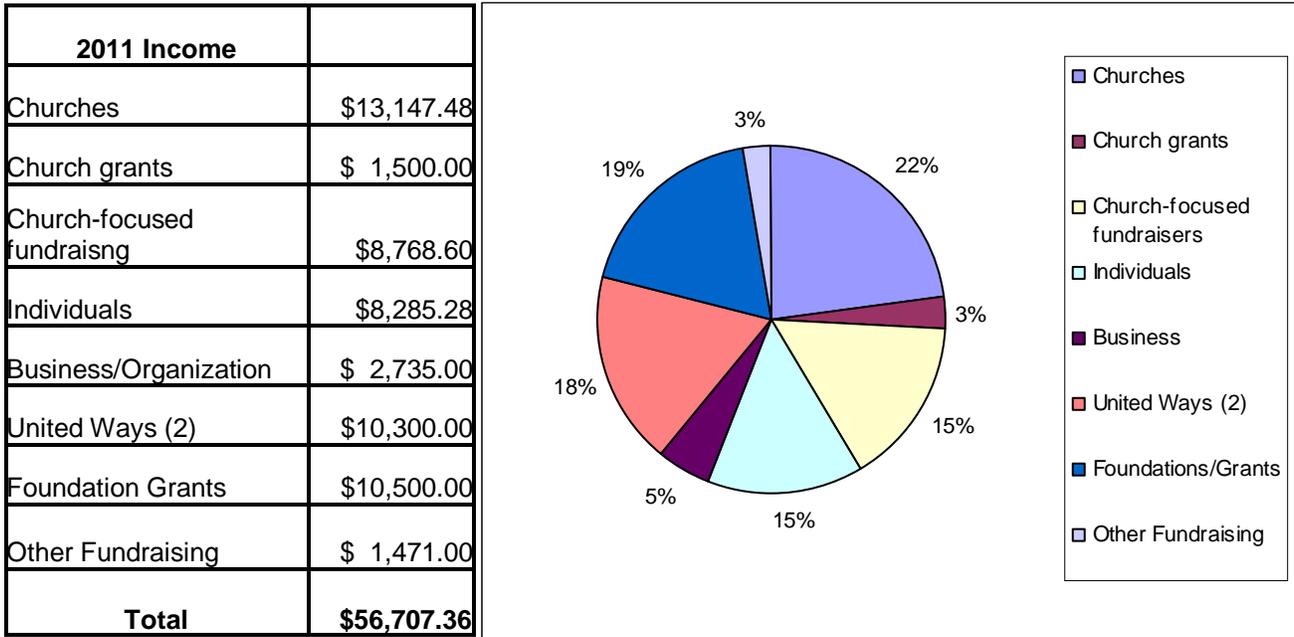

*Volunteers from Calvary Baptist Church repaired our steps and painted part of our building this past summer and made some electrical repairs.

LOVE NOTE #5:

A team from The Journey at First Baptist Church filled and delivered the bulk of the Project School Supply Program backpacks in 2011. This past year, 179 school children received brand-new backpacks filled with basic school supplies.

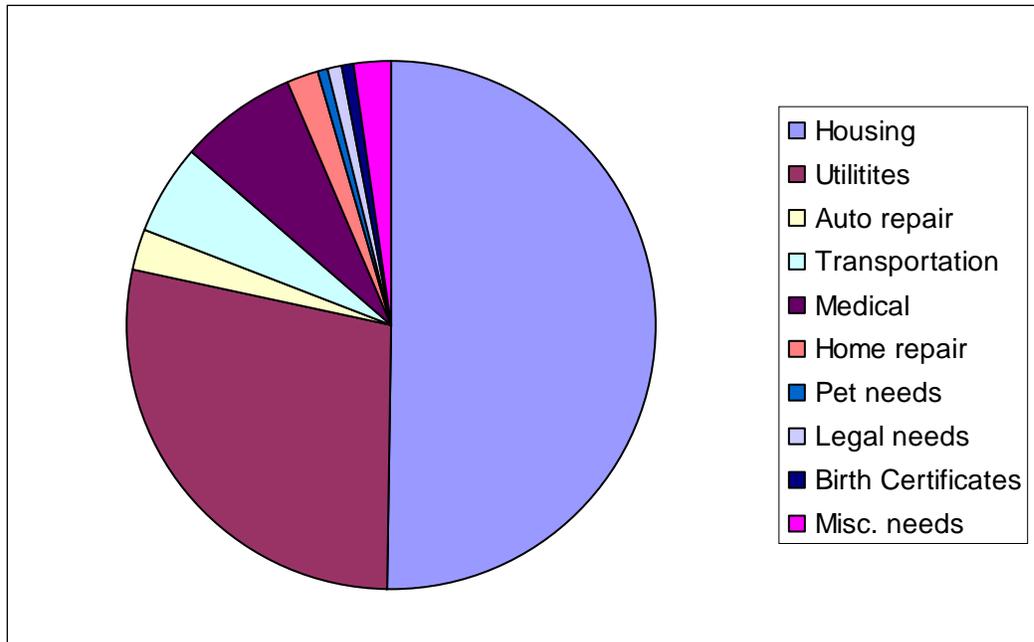

LOVE INC OF THE YAMPA VALLEY'S 2011 INCOME REPORT

God supported Love INC of the Yampa Valley through generous and caring people as follows:

Financial Aid to Needy Households in the Yampa Valley

Although the Love INC strategy used by area churches stresses aid to clients in non-financial ways, it is often determined that financial aid is appropriate. In 2011, Love INC recorded over \$20,419.00 in direct financial aid given from churches and Love INC to meet unmet needs in our community.

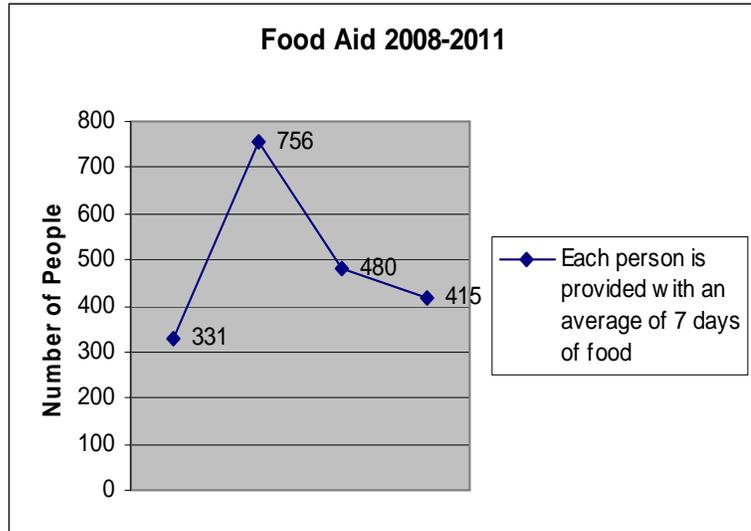

LOVE NOTE #6:

In 2011, 49 school children received two complete sets of new clothes plus shoes and socks through the Clothes for Kids Program. Calvary Baptist Church organized the deliveries of the clothing. Most of the students who qualified for this program also received one of the new back packs filled with basic school supplies.

Church Ministry Overview for 2011

Used-Furniture Ministry-For most of 2011, this much used ministry was coordinated by the Love INC Clearinghouse. Love INC mobilized volunteers from various churches to help provide more than 225+ pieces of donated furniture to at least 47 needy households in Moffat and Routt Counties.

Food Pantry Ministry-Calvary Baptist Church organizes our main food pantry ministry. Hayden Congregational United Church of Christ organizes the second-most used pantry. The Dinosaur Baptist Church ministry team organized a third food pantry. In 2011, The Dollar Tree enabled community members to support our local food banks with donations of non-perishable food. New Life Carpet Care, along with many generous individual donors, provided the needed funds to purchase fresh produce and dairy for the many hungry families

who required assistance. In 2011, 415 needy men, women, and children received help with food, through the efforts of these dedicated community volunteers. Most families receive a delivery of 1-14 days worth of food (the average was 7 days worth of food per person in 2011) that includes meats, breads, pasta, cereal, canned goods, and as much fresh food as is available. In addition to delivering food, another 473 people were referred to St. Michael's Kitchen for a hot meal.

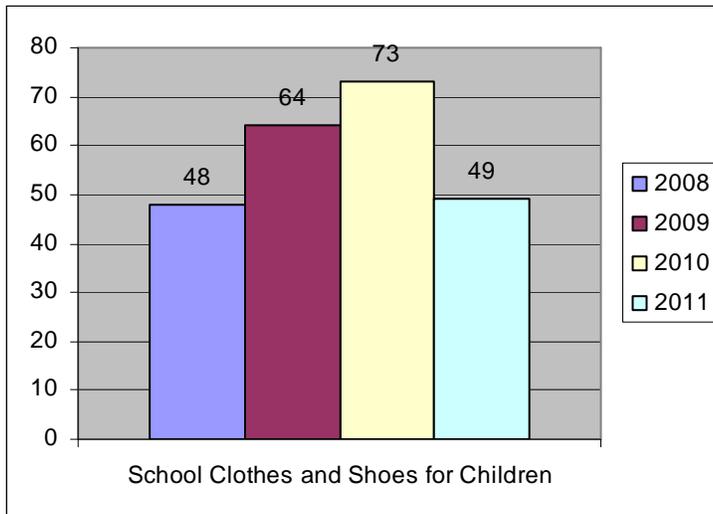

Laundry and Shower Ministry-Located at Calvary Baptist Church, this ministry, organized by Janet Wright, provided access to a washer and dryer and shower for people with this need.

Personal Needs Ministry-First Congregational United Church of Christ arranges this ministry and it was coordinated by Nina Lawton. The Dollar Tree enabled community members to support the Personal Needs Ministry with donations of cleaning supplies and personal care items. In 2011, 374 men, women and children were given a helping hand through this ministry.

Car Care Clinic Ministry-Located at First Baptist Church, this ministry is organized by John Furman and run by "small groups" at the church. In 2011, 18-20 vehicles were given a general once-over for seniors, disabled individuals, and single mothers. Oil changes, help with repairs, and gently-used tires were provided to several needy clients. In 2011, the church again partnered with Cook Chevrolet for one of the Car Care Clinics. Hayden Congregational United Church of Christ, hosted Car Care Clinics in Hayden in 2011.

Diaper Ministry-This new ministry was developed to fill the gap in agency services. The Yampa Valley Pregnancy Center is open only three days each week, so for clients who need help on the days they are closed, the Diaper Ministry was developed in order to provide a mother with an emergency supply of diapers and wipes. This is only a temporary help, to keep the child in diapers until the parent can access the Yampa Valley Pregnancy Center's services. Eight babies were supplied with needed diapers and wipes in 2011.

Church Ministry Overview for 2011– cont'd

Clothing for Kids Ministry-Coordinated by Calvary Baptist Church, deliveries for this ministry are organized by Janet Wright. In 2011, 49 children, kindergarten through high school received two NEW sets of clothing. A kind grant from the El Pomar Foundation and donations from local businesses and caring individuals made it possible for each child to also receive a new pair of shoes and socks. (Unfortunately, less children received clothing and shoes in 2011 due to a lack of donors.) Calvary Baptist Church volunteers carefully gift-bagged each set and enclosed a lovely gift card from the donor.

Then volunteers from Calvary, The Journey at First Baptist, and other churches were organized to deliver the clothing to each child.

Project School Supply-in 2011 volunteers from The Journey at First Baptist and community volunteers throughout the Yampa Valley teamed up to help the 179 children who received new backpacks filled with new school supplies. The Dollar Tree, Wal-Mart, and Walgreens of Craig were instrumental in providing donation points in the community.

School Supplies for teachers- A new project was developed in 2010 to help equip teachers and enable them to better educate their students by supplying simple classroom needs. In 2011, Love INC and Craig Rotary partnered to provide approximately 300 gift bags filled with “goodies” to Moffat County educators as well as a few thousand dollars worth of essential daily classroom supplies.

Firewood Ministry is a ministry of The Journey at First Baptist Church. The ministry leader is John Furman. Church volunteers cut, split, load, (and sometimes deliver and stack) firewood for families in need in our area. Four families received needed firewood in 2011.

Household Goods Ministry-Seventh-day Adventist Church of Craig organizes this ministry and it is coordinated by Pat Bush. Donors from our entire community contribute gently-used items that are made available to needy families and individuals. Approximately 162 people were given help with household needs in 2011.

Thanksgiving Meal Ministry-Organized by Craig Christian Church and Calvary Baptist Church. This year approximately 49 meals were served to the residents of Sunset Meadow I and II and the volunteers helping. Everyone enjoyed a home-cooked, traditional Thanksgiving meal served family-style. One of the best parts about the day was that the volunteers were able to sit down and share the meal and fellowship time with all the wonderful people. Another 44 families received **Thanksgiving food boxes** (most delivered right to their doorstep by Calvary Baptist Church) so they could prepare a traditional Thanksgiving or meal for their families.

“Adopting” families for Christmas-Church and community volunteers worked together to make the holidays more pleasant for 11 needy families. Food boxes or vouchers were delivered to 6 families and Christmas gifts were provided to 5 other families.

30 individuals were given **shelter** through the Love INC **Emergency Housing Program**. Their length of stay varied from 2 nights to 60 nights. Estimated value \$13,793.00 (not counting volunteer hours).

Two automobiles were given to single women in 2011. Estimated value \$3,500.00+

Other services such as transportation, personal counseling, budget classes, prayer, car care clinic, donations of professionally processed wild game, oil changes, moving assistance, Welcome to Craig baskets, house cleaning, tires and other auto care needs, Christmas gifts for families, free laundry and showers, and so forth were provided by the volunteers from our area churches to meet unmet needs in our valley. Other than volunteer hours being counted, no financial value has been counted for these listed services in this report.

A Love Story

A young couple with three very small children needed help with housing and some life skills. Neither adult had a job and they were searching for a place to stay until work was found. Love INC was able to house them 34 nights in the Emergency Housing Program to give the father a chance to locate steady employment.

During that time, Calvary Baptist Church supplied food until the family's food stamps started, First Congregational, United Church of Christ provided personal needs and cleaning supplies, and St. Mark's Episcopal Church and the Lutheran Church of Grace volunteers provided diapers and wipes. Craig Christian Church mentored the family and transported them around to various agencies and to Celebrate Recovery. They also supplied gasoline when the family was able to borrow a car and even provided the money needed to do laundry.

Both adults located jobs and a new apartment to move into. Agencies helped with rent deposits and Love INC used a special EI Pomar grant to provide money for an electric deposit. Craig Seventh-day Adventist Church supplied household items and The Journey at First Baptist and Calvary Baptist Church helped with some needed furniture. The young family joined a local church.

This struggling couple are still experiencing some pretty tough times, but the churches were able to reach out to the family, and during a very difficult time, provide desperately needed assistance.
